

# DON'T WALK BY

Acklands-Grainger is proud of our commitment to safety, both for our team members and our customers. As a part of our safety-focused culture, we've developed these everyday rules to keep everyone safe – in our offices, distribution centres, branches, and on customer sites.

If you see a hazard, take action. If you see someone at risk, speak to them or a supervisor. **Don't Walk By.**

## Report All Hazards

- Report all hazards, unsafe behaviours, accidents and near misses

## Use Powered Industrial Equipment (PIE) Safely

- Licensed operators only
- Inspect the vehicle
- Stop at required intersections
- Always wear fall protection where required

## Wear PPE

- Wear the proper personal protective equipment (PPE) for the task – fall protection, eye protection, gloves, reflective vest, safety footwear, hard hat, hearing protection etc.

## Maintain Housekeeping Standards

- Maintain good housekeeping standards
- Do not block fire exits or walking pathways

## Follow Steel Racking Safety Guidelines

- Never climb on racking
- Always ensure safe pallet and product storage in the racking

## Drive Safely

- No speeding
- Comply with local cellphone laws
- Follow all customer site rules

## Use Proper Lifting Techniques

- Assess the load – if needed, ask for help

## No Alcohol or Drugs

- No alcohol or drugs while working or driving
